

BACHELOR OF SCIENCE IN RADIOLOGIC SCIENCES

Joint Degree or Direct Transfer

A VARIETY OF PATHWAYS TO EARN YOUR DEGREE

Joint Degree: Students attend Culver-Stockton College or Quincy University to complete required pre-requisite courses and get the full college experience.

Direct Transfer: Students work on required pre-requisite courses at a college of choice and transfer directly into Blessing-Rieman College of Nursing & Health Sciences (BRCN)

REQUIRED PRE-REQUISITES AND ADMISSIONS REQUIREMENTS*

- English 101
 - College Algebra
 - Introduction to Psychology
 - Developmental/Lifespan Psychology
 - Anatomy & Physiology I and II with Lab
 - 2.7 Cumulative GPA
 - 2.7 Pre-requisite GPA
- *Other general education courses are required to complete prior to graduation.

PROGRAM LENGTH

Joint Degree: Students enter partner schools as freshmen, begin radiology classes/clinical experiences with BRCN the sophomore year, in the fall semester, and earn a degree in 4-years.

Direct Transfer: Students transfer directly into BRCN, begin radiology classes/clinical experiences, in the fall semester, and earn a degree in 3-years.

Students complete over 1300 hours of hands-on clinical experiences and are expected to travel up to 125 miles to various clinical sites.

APPLY ANYTIME

Joint Degree: students submit their application and high school transcripts to their partner school of choice.

Direct Transfer Students apply online through the QR code and submit official transcripts directly to BRCN.

Space is limited!

All admissions requirements must be completed by May 31st.

This program is accredited by the Joint Review Committee on Education in Radiology Technology (JRCERT)
